Q Series

a Biocare Brand

A NEW KIND OF ANTIBODY FOR YOUR LEICA BOND

Q Series Has Your Laboratory Covered

Are you looking for an extensive ready to use antibody library for your Leica Bond automated IHC platform? Q Series Has Your Laboratory Covered with ready to use 7ml antibodies formulated specifically for the Leica Bond.

Biocare Q Series is a comprehensive antibody portfolio built specifically for your Leica Bond IHC Instrument. The Q Series of antibodies is conveniently ready-to-use, with each vial containing 7mL of antibody. If you're looking for an extensive menu of novel antibodies at the highest level of quality for the Leica Bond IHC instrument, the Q Series is the perfect solution for you.

Why Choose Q Series ...

- ▶ Ready to Use for Leica Bond Instruments
- ▶ Quality Manufacturing & Production
- ▶ 7mL Ready to Use Antibodies
- ▶ Extensive Ready to Use Antibody Library
- ▶ Easy to Use Protocols Optimized by Biocare
- ▶ Unmatched Customer Service & Support

*Q Series™ antibodies are developed solely by Biocare Medical LLC and do not imply approval or endorsement of Biocare antibodies by Leica Biosystems. Biocare and Leica Biosystems are not affiliated, associated or related in any way. Leica, Leica Biosystems, BOND-MAX and BOND-III are trademarks of Leica Biosystems.
